

Meeting No. 9 – Group Development and Logical Reasoning

Meeting objective: Redesign a sport to make it more interesting for everyone.

- Decide on an actual sport and then make a list of changes to the rules, teams, equipment, times, scoring, pitch etc.
- Each change must be accompanied by a valid reason why this will make it more interesting to play or watch.
- After the meeting your team must give a short presentation to the class on the outcomes of the meeting including problems and failed objectives.
- Make sure you follow the stages of group development during your meeting.
